L. D. Sherman will hold an exhibition of burnt wood at his handsome new studio on Main street, next Monday, Tuesday and Wednesday. Mr. Sherman will show many beautiful designs suitable for the holidays.

A union Thanksgiving service will be held at the South church, Thursday, at 10.30 a.m., with sermon by Rev. Wm. G. Poor of Lowell. Hymns of a hundred years ago will be sung by the congregation led by a choir.

The coat of arms of the Abbot family which formerly belonged to Mr. Samuel Abbot, the uncle of Madam Abbot, whose endowment of Abbot Academy gave it its name, has come into the ownership of the school by legacy of Mr. William Abbot of Central street, and through the kindness of Mrs. Susan Randall, his executor. The illuminated work in colour has a simple frame, and it has now been hung over the picture of Madame Abbot, on the platform of Abbot Hall. It could hardly be in a more appropriate place; and the school feels very proud of its possession. The motto reads, "Deo, Patriae, Amicis," and is one full of meaning for the school.

NEW HOSPITAL

Lawrence Dedicated Its Fine New Buildings Yesterday Afternoon.

The dedication exercises of the magnificent new Lawrence General hospital which has been made possible through the philanthropy and generosity of the late Hon. William A. Russell, were held Thursday afternoon at the model institution which is situated on Prospect street, Prospect Hill, near the head of Union street. The doors have been thrown open to the public, and until 9 o'clock in the evening visitors were received and shown through the new building.

The exercises were held in the main corridor, a temporary platform having been erected for that purpose, and they were attended by a gathering which filled every available space in the hallway and adjoining rooms. The committee of the Ladies' Union Charitable society, in charge of the dedicatory exercises, had hoped to have with them the Rt. Rev. Bishop Lawrence of Boston, but through an unfortunate mistake regarding dates, he was unable to attend this afternoon, although up to almost the last minute he had thought that he could come here for the purpose of delivering the address of the day. In his stead, the Rev. Dr. W. E. Gibbs of this city, very kindly consented to act as speaker, although the notice which he had was necessarily very short. The exercises were simple, but were full of interest and gratification.

It was about 3 o'clock that Miss A. F. Carter, president of the society, called the gathering to order, and briefly introduced W. E. Parker as chairman of the occasion. Mr. Parker made no extended remarks, but after a few introductory words read the following letter which had been received from Bishop Lawrence:

Nov. 19, 1902.

"It is a source of great disappointment to me that, owing to a mistake of dates on my part, I am prevented from being with you at the dedication of the new hospital. Apart from the pleasure that it would have given me, I should like to have said a few words of congratulation to the officers of the hospital as well as to the citizens upon the completion of the new building.

"What a contrast it is to the first days of the Lawrence hospital! One of my early experiences in Lawrence was an effort to get a father to send his sick son to the hospital; he was brought to the point with great difficulty for he said: "The hospital is a place where very sick people go to die." At that time this was the feeling of many of the poorer people. Today everybody in Lawrence knows that the hospital is a place where sick people go that they may live.

"Although the original site of the hospital was in some respects unsuitable from the noise and tainted city atmosphere, it was a fortunate thing that the work began just there, right in the heart of the city and close to the mills. It told the people that the charitable heart of the city was close to them, and that those who were interested in the care of the sick and wounded were ready to come to them and not demand that they should go afar for a hospital. Now that the preparatory work has been done and thet confidence of everybody has been gained, it is well that the hospital should be placed where in a quieter spot and purer atmosphere its larger work can be even better done.

"What the indirect results of such a hospital are, few people can measure. Every patient who has become accustomed to the cleanliness and daintiness of the hospital must go back to his tenement or room with a desire to make the conditions in the home more sweet. If a wounded man, in whom rests some sense of injustice against our present civilization or those who are prosperous, discovers in this sympathy and gift expressed in the hospital that some at least of those who are blessed with prosperity and comfort are mindful of the unfortunate, he must go back to his work with a more charitable feeling and a more hopeful temper of citizenship.

"A hospital, too, is an expression of the most hopeful features of these days—the gladness with which busy people of all classes, doctors, housekeepers, business men, ministers, and in fact, everybody, give of their time, thought, and sympathy for the benefit of others. This altruism, public spirit, or, to call it by a better name, Christian devotion, is found in every rank and in all lines of work. One of its most beautiful expressions is, however, in the work of the hospital; and among all the charitable institutions that I have come in contact with, I can say honestly that I have not found one wherein more personal devotion and a greater sense of responsibility for the use of money and buildings were shown than were shown by the managers of the Lawrence Hospital while I lived in Lawrence, and I have no doubt that this same spirit has continued in the development of the hospital.

"With hearty congratulation to you all, and in the full confidence that the same Christian motive that existed in the past will continue to rest at the base of the Lawrence Hospital,

I remains with kind regards and many regrets,

Yours faithfully,
WILLIAM LAWRENCE.

The Rev. Dr. Gibbs was then introduced as speaker of the day. He delivered a fine and interesting address, and was followed by the Rev. William E. Wolcott who offered the prayer of dedication.

The Hon. James F. Leonard, mayor of Lawrence, who was next presented, said substantially:

"Mr. Chairman, Members of the Ladies' Union Charitable Society, Ladies, and Gentlemen:

"It gives me great pleasure to be present this afternoon and to assist in these dedicatory exercises. While it is a great pleasure, as an individual and a citizen of Lawrence, to be here; still I am here not as a private citizen but I am with you as a matter of duty, to represent the city of Lawrence and to give to this great work of charity our official blessing.

"It also a much greater pleasure to me to be able to be here for the purpose of saying a word of encouragement and approval to those ladies who are banded together for such a noble purpose, and through whose hard and untiring labors so much has been accomplished. It is a great credit to our citizens who have so nobly responded to your appeal; and this institution will ever stand as a monument to the earnest efforts of the members of the union and to the charitable and true Christian spirit displayed by those people through whose assistance these ladies have been able to accomplish so much.

"I am unable to name all of those kind persons who have so generously assisted in this good work, and perhaps I would not be justified in naming or singing out any few of them, because we all know it is not the amount given but the spirit in which it is given, that constitutes true Christian charity. When people give according to their means, that is all that can be done; in the case of this institution there are many, I am sure who are entitled to special mention, but I think the same charitable spirit of those same cheerful givers will forgive me if I mention the name of but one who, above all thers, has made this institution possible. With the depest of respect I refer to the late Hon. William Russell through whose philanthropy our fair city is beautified by these useful buildings and beautiful grounds. I wish I could speak of this man and of his kindly and charitably disposed family, as I would like to; but I will not attempt to do so, but will leave it for others abler than I.

"It is not necessary for me to refer further to these substantial gifts for actions speak louder than words, and the actions in this case will be heard around our fair city, and the reward will be simply the prayer of those patrons who will be able to receive kind treatment and good nursing through the kindness of the cheerful givers and the members of the Ladies Union Charitable Aid society."

The mayor's address was followed by an address by Dr. F. E. Carleton. The latter said:

"This hospital which now stands finished, has been made possible by the courageous and persistent efforts of the Ladies' Union Charitable society.

"It has ben made possible also by the generous gift of this homestead, and these spacious grounds, from the family of the late Honorable William A. Russell, in accordance with his last expressed wish.

"This house in which we have met, was Mr. Russell's home during his young manhood, and in his mature years, and here he dispensed the generous hospitality which was characteristic of him, and here he achieved the success which brought honor to himself, and also to the city in which he lived, and by this gift, he has placed our people under additional obligations to his generosity.

"This house has another claim to our consideration. It was built and occupied by Mr. Charles S. Storrow, who not only had the supervision of the laying out and building of Lawrence, but was also the first mayor of the city. Mr. Storrow married the daughter of the late Dr. James Jackson, who, more than any other man, was the patron saint of the medical profession of New England.

"Dr. Jackson used to visit in this house, and thus the hospital and its medical staff are linked with the memory of this great and wise physician.

This hospital again has been made possible by the bequest of the late Willard B. Perkins, himself a Lawrence boy, who in his last conscious hours made the Ladies' Union Charitable society his residuary legatee: the funds so bequeathed to be used for the Lawrence General hospital.

Miss Helen C. Bradlee, during her life time, made a liberal gift to the building fund of this hospital, which has contributed to its possibility.

The manufacturing corporations of Lawrence generously added to the building funds sufficient money to build the two brick wards.

The natural beauty of the grounds has been greatly enhanced by the bountiful gift of Mr. George E. Kunhardt. This has not only increased the surface beauty of the grounds, but has increased their safety and stability by proper retaining walls, drainage and fencing.

Bequests to the building fund have also been received, and have entered into the erection of these buildings, from the estates of the late Mr. William Reed, Mrs. Mary A. Ordway and Martha A. French.

The surgical operating room, with its fine equipment were the gifts of the family of the late Mr. Russell. The complete cost of the buildings and improving the grounds amounts to $90,712. Kind friends among whom are included several churches, have given furnishings for the hospital amounting to about $2000.00.

The society has now remaining in interest bearing funds, in saving banks bonds, mortgages and productive real estate, $82,300.00. In addition there is remaining the hospital building and the Day Nursery on Methuen street.

The architects have been Messrs. Dwight and Chandler, and the general contractor has been Mr. Louis Killam. The heating and ventilating have been done under the expert directions of Professor Woodbridge of the Institute of Technology.

The grounds have been laid out under the direction of Manning Brothers Landscape Gardners. I am told, that it has been the policy of the building commission to have the work done by citizens of Lawrence, so far as practical. The stone work and brick masonry, the plumbing and electrical work, and the grading have all been done by Lawrence men, and these men, architects contractors, builders and mechanics have all done their work faithfully and well.

The active building commission selected by the executive committee from among our own best citizens, was constituted as follows: Mr. Walter E. Parker, chairman, Mr. William A. Russell, Mr. George E. Kunhardt, Hon. Lewis P. Collins, Mr. William F. Rutter, Dr. O. T. Howe.

The president and treasurer of this society were added as members exofficio of the commission, and the treasurer, Miss Prescott, has served as the efficient secretary of the building commission, during its whole existence.

This commission has given to the erection of these buildings its constant and careful attention. During the last year and a half the commission has met in one of the business offices of the city, each Monday afternoon, where, with most painstaking care, it has considered every detail of construction.

No building was ever finished in America, which has not been subject to some criticism, after its completion, but let no one of us, who has given the subject less thought and care than have these able men and women, presume to criticize their completed labors.

We, who have met here, are all the friends of the hospital, and we congratulate each other upon its beauty, its cheerfulness and its thoroughness of construction.

Into this hospital we may come when we are ill or injured, and our friends also will come and the poor, without regard to nationality or creed, among our toiling thousands will be brought, when needing medical or surgical attention. To the alleviation of their suffering will be given the best service of the medical and surgical staff, who without money and without price, will labor that the unfortunate shall be restored to health.

Contributors to this, will be the corps of nurses, the product of our own training school, who work day and night in the service of others.

This hospital is finished, but is not complete. Hospitals are never complete, and it is fortunate that they are not else there would be no room for more gifts, and we know that there are many who will be glad to bestow other gifts on this hospital. We want an X-ray machine, and we expect some one will be glad to give that. We need some more appliances in the hospital and the superintendent or any member of the staff will be glad to give valuable points to any one, wishing to help us in this direction.

We expect that some one in the near future, will give us a nurse's home, in a building of itself, situated out in the vicinity of the pear orchard. This home will be in reality, a home for the nurses, in which they shall sleep and eat, and where they may spend their time, in rest and recreation, when off duty. Already the modest chairman of the board of advice, has given the needed amount of money for an isolated building, for special uses, which probably, in another year will become an accomplished fact.

The main thing to be done now, is to increase our maintaining fund, and I know there are many among us, who will be glad to contribute to that end. An increase of that fund to $20,000.00, is an ideal, which it is not presumptuous to think may soon be reached.

To this hospital, built at so great a cost of money and labor, and consecrated by the prayers and memories of so many, who have gone before, let each one of us, upon whom rests the responsibility, give some bequest of labor or time, or money, and of sympathy.

Let us all feel, that while these buildings, and these grounds, and this equipment, have been freely given to us, they are now ours to cherish and to sustain."

At the finish of Dr. Carleton's address the exercises were brought to a close with benediction which was pronounced by the Rev. C. U. Dunning, formerly pastor of the Garden street M. E. church and for many years Lawrence city missionary.

After the exercises the guests inspected the beautiful and thoroughly equipped institution. The guests were not only delighted with the fruit of the earnest and untiring efforts of the ladies of the society, but they were surprised, for the institution was beyond their brightest expectations. In every way it is a model hospital and an institution in which the city of Lawrence can take a pardonable pride.

Miss Barr, the newly elected superintendent, ten graduate nurses, several undergraduates, and ladies of the society were stationed about the building to receive the visitors.

The members of the dedication committee were Mrs. O. T. Howe, chairman; Miss A. F. Carter, Miss Clara Prescott, Mrs. W. E. Field, Mrs. G. C. Howard, Mrs. William Shackford, Mrs. L. P. Collins, Mrs. W. H. Merrill, and Mrs. S. W. Abbott.

The Columbian orchestra furnished music during the afternoon and evening and the interior was beautifully decorated with chrysanthemums from Hon. Moses T. Stevens of North Andover.

Dear Sirs: H. M. Hooker & Co., Cooperstown, N. Y., have sold Devoe paint for 22 years. D. T. McGown, of that firm, built a house in '85 and painted Devoe, of course. The paint lasted ten years.

A year or two later, a neighber built a house, and painted it lead and oil. The neighbor's house was repainted twice in the same time.

This looks as if the neighbor's house was painted three times in eight or nine years, and McGown's once in ten years. We are not quite sure—we tell the tale as it comes to us.

It is enough to say that Devoe lead and zinc lasts twice as long as lead and oil.

Yours truly,

CELEBRATED HIS BIRTHDAY.

The home of Mr. and Mrs. J. F. Anderson, 46 Winthrop ave., was Tuesday evening the scene of a very happy occasion when their son, Arvard Anderson celebrated the occasion of his eleventh birthday anniversary, in an appropriate manner. Quite a number of his friends were present and the evening was passed in all the amusements common to the youth of today. Many and varied were the games which were enjoyed during the hours of the evening. Some of those present lent their musical talent to the entertainment of the gathering while others gave pleasing readings. Dainty refreshments were served to the assemblage of the associates of the popular young man and student. Among the young folk who attended the affair were the following: Misses Mary Donohue, Ebba Johnson, Anna Murray, Marion Rollins, Sophie Thumm, Emma Thumm, Grace Burridge, and Masters George Wiswall, John Donohue, Daniel and Henry Lenane, Thomas Barron, Henry and Sidney Rollins and Harold Toomey, besides the genial host and other members of his family.

The Problem of a Tired Mother.

The funny papers have told, time and again, how it makes a man feel to be shut up alone with the children even for a few hours.

It's no wonder that nerve troubles attack the mother for she has the children all the time. How can she help being nervous, especially while the little ones are making such constant drafts on her energy?

No woman can endure the strain of her housework and two or three little ones unless her digestive powers are of an unusual order. She can't manufacture force enough to stand the strain.

We can suggest one thing that will surely help her and it isn't a drug poison either. It is Vinol, made by a remarkable new process from that wonderful remedy, cod liver oil, a true tonic.

Money back if you don't find this true.

COUNTY NEWS.

AROUND ESSEX COUNTY.

Salem had a circus in its armory Tuesday evening.

Alfred Pearson will head the Socialist ticket at Newburyport.

Chas. N. Kelley will lead the Haverhill Democratic municipal ticket.

There were only 111 votes cast in the Haverhill Socialists caucuses Thursday evening.

Horace Davis, a Gloucester carpenter fell from a staging Friday night and broke a rib.

Lynn business men are perfecting plans to buy coal independently of the local dealers.

A two-mast coaster went ashore on Milk Island, off Rockport, early Saturday morning.

Mayor Moses Brown of Newburyport has announced that he will not be a candidate for a third term.

The first cargo of coal to arrive in Newburyport in eight months was landed there Monday morning.

Haverhill business men are now taking steps to organize a coal club, and thus get coal at cheaper rates.

Burglars made three unsuccessful attempts Sunday night to enter the store of Chase brothers in Haverhill.

Joseph N. Peterson defeated William S. Felton for the Republican mayoralty nomination at Salem, by 166 votes.

John Kilpatrick of Haverhill died of cholera in the Philippines, Nov. 14. He had been engaged in teaching school.

Wm. Curtis of Haverhill, fell 20 feet from a ladder onto a brick sidewalk and yet escaped with but a few bruises.

Watch dogs prevented the Belmont hotel saloon from being robbed at Gloucester Sunday night. They frightened the burglars away.

An unsuccessful attempt was made to burglarize the store of A. T. Chase, Haverhill, Friday night, but the burglars were frightened away.

A Lanesville electric at Gloucester struck a coal team Saturday afternoon completely demolishing it. Neither horse nor driver were injured.

Alderman F. F. Newell and wife of Salem observed their silver wedding Tuesday evening. The alderman was renominated the same evening.

C. H. Tarleton, fourth-class postmatser at Ward Hill, a portion of Haverhill, has resigned. Charles B. Alexander will probably succeed him.

A. D. Wingate fell from a staging at Haverhill and went out through a window to the ground. His right ear was nearly torn off and he was badly bruised.

Edward H. Tucker of Salem has been arrested for non-payment of old poll taxes and is now confined in jail. Several others were arrested but they paid up promptly.

Lyman Davis, a Haverhill blind man, was run down by an expressman, Monday evening, and badly bruised. The driver of the team did not stop to see what injury he had done.

Edmund Lewis, a hermit and veteran of the war, was taken from his home against his will to the Lynn hospital Sunday. He had refused all offers and the city authorities finally ordered his removal, for he was in need of treatment, by reason of illness.

GLOUCESTER, Mass., Nov. 17—Schooner Mabel D. Hines, Captain Lowell Hines, arrived from a bark trip yesterday with her flag at half mast for the loss of two of the crew. Captain Hines reports that on October 24 when on Atherton bank, about six miles northeast of Cape Sable, Charles Bungy and James Bird were lost while hauling trawls. A shark had bitten off a trawl and after the two men had carried part of it to the schooner they returned for the remainder. They were never heard of again. It is supposed that they overloaded their dory with fish and that the boat sunk in the rough seas which prevailed. Bungy was 35 years of age and leaves a widow and three children, at Rose Blanche, N. F. Bird was single and a native of the same place.

GORDON WAS NOT ARRAIGNED.

Somewhat contrary to expectations, Robert W. Gordon who was brought from Fairfax, Va., Sunday to answer to charges in this city, was not arraigned in police court Monday. As he is under indictment from the superior court, he was sent to jail without arraignment in the lower court. Gordon is charged with the theft of a horse and carriage from Daniel O'Leary, the Common street livery man, the outfit being valued at about $200.

It is alleged that he went into the stable several months ago and representing himself as the agent of a large wholesale book house in Philadelphia, secured the outfit. That was the last that was seen of him. A complaint was made to the police and a search was made for the man. Marshal O'Sullivan finally learned that Gordon was serving time in a jail in Virginia. Several days ago the marshal went there and returned yesterday with the man.

Gordon is about 29 years of age and is well educated. The police are of the opinion that he is wanted by the authorities in other cities.

Pains in the Back

Are symptoms of a weak, torpid or stagnant condition of the kidneys or liver, and are a warning it is extremely hazardous to neglect, so important is a healthy action of these organs.

They are commonly attended by loss of energy, lack of courage, and sometimes by gloomy foreboding and despondency.

"I had pains in my back, could not sleep and when I got up in the morning felt worse than the night before. I began taking Hood's Sarsaparilla and now I can sleep and get up feeling rested and able to do my work. I attribute my cure entirely to Hood's Sarsaparilla." MRS. J. N. LEARY, care H. S. Copeland, Pike Road, Ala.

Hood's Sarsaparilla and Pills

Cure kidney and liver troubles, relieve the back, and build up the whole system.

WELSH COAL NOT SUITABLE.

Notices have ben posted at the Washington mills that the American Woolen company will not deliver the coal which has been received from Wales as was expected. The coal has arrived in Boston but is by no means what was expected and the officials of the company announce that it is not fit to be delivered for house use. About 5,000 tons were sent from Wales, and of that amount 2250 tons will come here This coal will be used by the company in place of coal that cost about half as much, so that it will be a great loss to the company. There is about $1000 demurrage on the vessels in the Boston harbor, and this adds to the loss by the company.

An attempt will be made to secure coal from the American mines so that the orders of the operatives which it was expected to fill with the Welsh coal, can be filled. Whether this will result in any saving to the operatives is a question. The officers of the company are much disappointed in not being able to supply the operatives as was expected, but the quality of the coal received is such that it would be useless to deliver it to the houses.

This country is not the only one where unconsidered trifles are snapped up by the manufacturers and put to practical use. In China the down of the thistle is gathered and mixed with raw silk so ingeniously that even experts are deceived when the fabric is woven. It is also used to stuff cushions as a substitute for elderdown, and a very good substitute it makes.

More and More of Elm Street.

Several months ago the Townsman called attention to the condition of Elm street, and the belief was expressed that the matter of doing a first-class job there could be safely left to the railway officials and the contractor who was representing them.

This was quite a while ago. The work has gone on slowly, but it is now, according to the men in charge, nearly completed. The part of it where there is certainly the most ground for complaint, is said to be completed, and unless there is decided objection by the selectmen a "finished" job will be left which will be a disgrace to the street and the town. We refer, particularly, to the grade of the road in front of Mr. Eames's residence and the slipshod construction in front of the residence of Wm. Lawson. It is evident from these two jobs that either the trust which was placed in the road and the contractor to do the right thing was sadly misplaced, or the selectmen have not insisted upon all that is necessary.

While there are many interests to be considered in arranging the details of street railway construction, it has always been recognized that in the matter of caring for purely local work, such as entrances and grade changes, the wishes of the abuttors should be given large consideration. The two cases in point find the abuttors' wishes entirely disregarded. Mr. Eames has a very strong objection to the grade of the track in front of his house, raised as it is more than a foot above the track and even more above his house. It is not necessary for anyone to take up the cudgels so that Mr. Eames may secure his right. He is abundantly able to take care of himself, but we shall be greatly mistaken if in doing that, he will not be able to make the expense for the town much greater than it would be if the necessary change in grade is made now.

Mr. Lawson's front is an interesting example of continued effort to make a job right by persisting in doing it wrong. Mr. Lawson wants a simple, well built, stone wall. He does not ask for any frills or furbelows, even though he does consider Elm street citizenship just as noble as dwelling on the main highway. But, notwithstanding Mr. Lawson's wishes, the railway people insist on a banking. And such a banking! With its base line nearly eight feet out into the street, and its make-up a mixture of mud and muck, it looks much like a boy's play dam. What may happen to it in a winter's frost beggars description. It might last until after the work has passed the selectmen, but it is very far from a permanent piece of work.

It is up to the selectmen to turn down this work and insist at once that changes are made to give some measure of satisfaction to the two citizens who are injured more than all others on the street. The work should never be accepted in its present shape.

THANKSGIVING.

What do you say?
"Thanksgiving".
For what?
'Cause we're living.

Well, that's enough
In these days.
Though we do ask
If it pays.

Sure it does,
Pays big;
Doing naught
But dig and dig.

Find lots of treasures
When we dig.
Things that pay us
Mighty big.

It's not all measured
By the dollar;
There's lots else
Worth a holler.

Some folks love us, others trust us;
Honors, health, good cheer abounds.
Why care a rap if the world is Morgan's,
We've all got tickets into the grounds.

Sure! I'm mighty glad
I'm living,
This
Thanksgiving.

Coal is coming. Coming in bulk, and coming down in price, and we are all coming into a much better feeling because of this good news.

The opening of the Town house, next Monday night, promises to bring together a large assemblage of townspeople. A great deal of surprise is bound to be shown over some of the results achieved in the rebuilding, one of the most notable bits of work being the tiled vestibule, in which the town seal is shown in colored tiles. Experts have said that this is the handsomest piece of tile work in New England.

The Lord has really tempered the winds to the shorn lamb this year, with this beautiful fall weather as a very large offset to the empty coal bins.

EVERYBODY INTERESTED

Town House Opening Will Be a Brilliant Affair.

For eight months the workmen have been in charge of the Town house, and next Monday evening the general public will have their turn.

Everybody is invited to come to the building between the hours of 7 and 8, without money and without price. The entire lower floor will be open for inspection and the different town officials will make everybody welcome. In the beautiful new offices of the selectmen, clerk, and treasurer, those officials will receive their friends and show their new quarters. The school committee will receive in their rooms, assisted by the principals of the different schools in town, while the lower hall will be an overflow place for the social hour.

Following the reception in the lower floor will come, at 8 o'clock, an entertainment in the upper hall, to which admission will be by ticket. The tickets have been sold at 50 cents each, and outside of the necessary few for invited guests, there are no complimentary admissions. The proceeds of the sale are to be devoted to the purchase of new scenery and stage furnishings not provided for by public funds. The money raised is not to help pay any part of the regular remodelling work. The advance sale is very large and there promises to be a crowded house. Remember that everybody is invited to the reception from 7 to 8 p. m.; only six hundred can enjoy the program to follow in the upper hall. This means that the remaining two hundred or so seats should be secured at once.

The entertainment will begin with a selection rendered by the Andover Band orchestra. Then will come the turning over of the keys by the committee to the Town fathers.

Following this formal surrender of the splendid new building, (for it practically is new inside,) the curtain will be rung up on a pretty outdoor scene and the laughable little farce, "A Straw Man," will be presented by the cast as given in last Friday's Townsman. The "straw man" does not talk, but the others do for him, and while he causes lots of confusion and a good deal of fun, all ends well.

The farce will be followed by several selections by the Phillips Academy Banjo and Mandolin clubs, in which about 30 young men will participate.

They will play while the scenery is being changed for the next farce, which is somewhat longer, and one which abounds in laughable dialogues and situations. The farce is well cast, Brambleton is irascible but forgiving; Lavender apes the aristocracy and feels the darts of "Cupid, the little God, 'pon honor;" Swanhopper is good natured, slow to anger, and just a little self-conscious, so that his oft repeated "I'm growing red in the face, I know I am" is very *à propos*; Cicely, Brambleton's daughter, is a quiet young lady who behaves very well in trying situations, but has a will of her own which she does not hesitate to assert; Matilda Jane thinks much of her own importance and believes in dressing just a trifle above her station, and has an admiring eye for Lavender's "faskinatin' appendages" and manly form.

The evening's enjoyment will terminate with a dance.

Mr. Riddle's First Reading.

It is many years since George Riddle has been heard in Andover. An appreciative audience gathered in Phillips Academy hall last Tuesday evening to welcome him as he began his course of three readings. Mr. Riddle was felicitously introduced by President Day of the Seminary. For more than an hour the reader held the close and sympathetic attention of the audience as he presented scenes from "The Merchant of Venice." The selections were made with discernment and skill, and Mr. Riddle read with fine taste and dramatic power.

In his portrayal of Shylock he was especially effective. The final scene is worthy of special mention. The graceful eloquence of Portia, the merciless insistence of Shylock as well as his final pitiable plight, were all clearly portrayed.

The lighter side of literature and life was pleasingly pictured in the second part of the program which opened with a selection from Kate Douglas Wiggin's "Timothy's Quest" entitled "The Village Dressmaker." This was admirably done and was greatly enjoyed by the audience. Edgar Fawcett's "The Other Side of the Moon" was read with delicacy and feeling. "A Female Jury" by Arlo Bates concluded the program.

Mr. Riddle again demonstrated his right to a foremost place in his profession and he won new friends among those who can appreciate good reading.

For a Rebecca Lodge.

On Wednesday evening the Odd Fellows' quarters were utilized in a gathering brought together for the purpose of discussing the possibility and advisability of organizing a lodge of Rebeccas in Andover.

The attendance was very good, some 20 ladies, Odd Fellows' wives and daughters being present, together with many members of the Andover lodge. The matter was thoroughly discussed and plans formulated for carrying on the work of organization.

About 60 or 70 signatures have already been subscribed upon the application for membership and upon the charter list also. A committee of the following ladies was appointed to canvass the town to solicit names of the wives and daughters of Odd Fellows: Mrs. George D. Lawson, Miss Margaret McTernen, Mrs. E. C. Pike, Mrs. James Anderson, Miss Jennie Thompson and Mrs. J. A. Burtt.

This committee will meet at Odd Fellows' hall tonight to lay out the districts for the canvassers.

We have just opened on 3d floor a complete holiday stock of Genuine Indian Baskets. They are marvels of workmanship, and will readily appeal to you as such when seen. Hundreds of fancy shapes and color combinations, as well as an immense stock of Scrap and Work Baskets. The prices too are much lower than in former years, as they were purchased direct from the Indian manufacturer, thus saving the jobbers' profit. Nothing more desirable than these baskets for holiday gifts. Exhibition on 3d floor.

UNFORTUNATE RUNAWAY

H. B. Lewis Thrown From his carriage and Suffers a Broken Leg.

A well known Andover citizen, H. Bradford Lewis, met with a serious and painful accident on Wednesday morning while driving to Lawrence.

Mr. Lewis had just reached the residence of Rev. Edward W. Pride and in attempting to cross the street railway tracks to avoid a furniture wagon the wheels of his buggy became cramped, overturning the vehicle. The occupant was thrown out violently sustaining a compound fracture of both bones of his right leg a little way above the ankle. As far as the physicians could ascertain there were no other injuries except bruises.

Dr. Torrey was the first to arrive and Dr. Leitch soon followed. The bones were set at Mr. Pride's where Mr. Lewis had been carried immediately after the accident and later the injured man was conveyed to his own home on Porter street by one of the Park street stable hacks. E. Frank Lewis of Lawrence was quickly at his son's side after the news of the accident reached him.

The buggy in which Mr. Lewis was riding was badly demolished having been dragged across the street and against some trees or posts by the roadside before the horse, a spirited animal, was stopped. Considering the situation in which he was placed the horse behaved very well.

Mr. Lewis' many friends will be glad to learn that the accident was no worse.

Assembly and Dance.

Under the auspices of the Andover Social club a very pleasant assembly and dance was held Wednesday evening in Pilgrim hall. The attendance was very good, but the hall was not crowded.

Excellent music was furnished by Thomes' orchestra of four pieces, who played a catchy pot-pourri of popular music. Among those present were many from out of town.

The Social club is a well known and well liked institution, and their dances are always excellently managed and patronized by the young people of the town.

Last Wednesday night the floor officials were as follows: Director, T. A. Stewart; asst. floor director, J. F. Sweeney; aids, J. Maroney, J. McNally, J. Nolan, J. Mander, F. McManus, J. McCafferty, C. Hurley, and T. Mahoney.

TEMPORARY PRINCIPAL.

F. O. Baldwin's Resignation Laid on Table by School Committee and S. H. Baker of Malden Takes His Place Until Term Ends.

Nothing definite has yet been done in regard to the acceptance or rejection of Principal F. O. Baldwin's resignation, as head of the Punchard High school. The resignation was sent to the school committee last week Tuesday most unexpectedly and later was withdrawn by him.

While the matter was thoroughly discussed by individual members of the school committee no meeting of the board was held until last Monday night, when the committee got together.

It was decided after considering the pros and cons, to lay the resignation on the table until the end of the present term, granting Mr. Baldwin a leave of absence until that time on half pay.

In his place the committee has appointed S. Hale Baker of Malden, a man of considerable experience as a high school teacher. Mr. Baker was last at Willimantic, Conn., and has taught at Ipswich and Provincetown, where he has been principal of the schools. He assumed charge on Tuesday morning. Mr. Baker is a graduate of Brown.

ORGAN DEDICATED

Big Audience Listens to Splendid Recital, Vespers and Excellent Sermon.

The beautiful St. Augustine's church was completely filled Sunday evening on the occasion of the dedication of the handsome organ just installed by E. W. Hall of Waltham for the Hook & Hastings Co., of Boston.

Services were begun at 7 o'clock by an organ recital by Organist John Bachelder of Christ church which lasted until 7.30. The fine tone and volume of the new organ were splendidly brought out by Mr. Bachelder during his recital after which the church organist, Miss Annie Donovan, took charge and with an augmented choir rendered Millard's Grand Musical Vespers, Lambillotte's "Lauda Sion," solo, Gounod's "Veni Creator," Mozart's "Magnificat," from 12th Mass., Righi's "Salve Regina" and McCabe's "Tantum Ergo."

The soloists were, the Misses Cullinane, Higgins, White and Murphy, soprano; Misses Driscoll, Josie Higgins, Towle and McAuliffe, altos; Messrs. Stuart and Duhamel, tenors; and Messrs. Nolan and Morris, bassos. Misses White, Murphy, McAuliffe and Towle and Messrs. Duhamel and Morris are of Lawrence.

The singing was very excellent, the new organ carrying it along splendidly. Included in the congregation were many non-Catholics who were interested in the new organ.

In his dedication sermon Rev. Fr. Fleming said: "The voice of praise is the earth's answer to its Maker and Lord. He made it by His word and from the beginning His word has been heard over its continents and its oceans, in the cities of its plains and on the solitude of the mountain tops. As each generation of men has appeared on its surface the word and the benediction of the Creator has never failed. But with man—intelligent, spiritual, free and responsible—there is no such way of praising God. He must speak; and to speak means to think, to aspire and to will. Man's intelligent nature must use its own characteristic faculties to answer the word of its Creator and Redeemer."

"The constitution of the human heart obliges it to worship God. Worship is not made up of acknowlegement and love. Not to praise and worship God is condemn out heart to starvation and death.

"The book of Psalms is at once the divine warrant for mans' dedicating his powers to the praise of God and the divine exemplar of the way in which it is to be done. Its language is the language of emotion; language which befits the presence of God; the solitude of contemplation, the temple of worship. Its language is poetry; not the poetry of frigid conceit or artificial ornament, but the poetry of intense earnestness and rich fancy; the poetry of one who sees the truth and who seizes on every color of the sky and every shadow of the night to embody the visions of life and eternity which pass and repass in his hours of communion with God. It is the language of a heart which rises to every height and has known every depth; which is familiar with triumph and yet has felt the cold grip of sadness and despair. To the singer of the Psalms the name of God is wonderful in the whole world. He loveth justice and He searcheth hearts; He is terrible and who shall resist Him? Yet His mercy is without measure; it endureth forever; the earth is full of His goodness. It is no wonder then, that the book of Psalms has been the book of the believer's prayer ever since it grew out of the heart's of the holy David and out of the Hebrew singer's four thousand years ago and more. In the captivity it was thought of the magnificent rendering of the Psalms in the temple that filled with sadness the hearts of the exiles.

"When Chirst came He joined the Psalmody sacrifice and made it contribute more and more to the honor and glory of God. When the patriarch St. Benedict appeared to give shape and stability to the great monastic orders he gave directions for the singing of Psalms to his followers. In the silent watches of the night the monks arose to chant the praises of the Lord. What music can compare to the music of the mass? Men of all ages have consecrated the highest flights of their genius to composing music that approaches something like a worthy harmony with the dignity and value of that great sacrifice. Wherever a Christian altar is erected attempts more or less sucessful and serious have been made to reproduce the works of the great masters.

"May God then, bless this organ, which today is set up to the glory of His holy name. May it minister for many a year to devotion and true worship and draw the hearts of many nearer to God. In the sight of this altar and this Presence it stands the work of skillful artists, waiting the touch of man's hand and the dictation of man's spirit.

"To God be all the glory, now and for evermore, that, as we may dedicate this instrument to His praise, so we may give our hearts as well, and consecrate all our powers to His love and service. May all here learn to know Him better, to serve him more faithfully and to give the very best of their being, their powers and their time to Him to whom alone is glory for ever and ever."

DESTRUCTIVE BLAZE.

Heroux's Riding Academy Burned Last Evening.

A. A. Heroux's riding academy in Frye Village, just beyond the junction of Union and Main streets on Union, was totally destroyed by fire last night.

The fire broke out about 9 o'clock. At that time the employee of the place was bedding the horses for the night. A lantern was left standing near one of the stalls and it was knocked over by one of the horses.

The fire spread rapidly through the hay and straw lying around and before the custodian of the academy could prevent it the blaze was beyond his control. Attention was then directed to saving the horses and valuables. The horses were taken out in safety as well as the two carriages. A number of saddles valued highly could not be saved, so rapidly did the fire spread.

An alarm was sounded at Frye Village and the Andover fire department responded very promptly but on their arrival they found the building enveloped in flames and doomed to destruction. After about an hour's work the fire was completely extinguished, but all then left was only a few smouldering embers.

The loss will reach about $3000, and is partially covered by insurance.

The academy was erected by Mr. Heroux only two years ago. It was a wooden building of modern style and fully equipped with everything necessary for a riding school. It has had many patrons from Lawrence and surrounding towns but apparently was not patronized as much this fall as last.

Mr. Heroux is absent from the city in New York, where he is buying a stock of Christmas goods for his Essex street store.

The Andover fire laddies display a handsome kitten, saved from the flames.

Social at Free Church.

Last Friday night the Ladies' Benevolent society of the Free church held one of two socials which are to be held this winter and which were planned to be a little out of the ordinary.

The supper was prepared by the ladies the initial letters of whose names come between A and L in the alphabet. It was served between the hours of 6.30 and 7.30 to about 150 guests.

After the supper a splendid entertainment was rendered which was very much enjoyed by all. Included in the program were the following: Violin duett, Misses Alice and Charlotte Cox; reading, a selection from "The Crisis," by request, Miss Dorothy Logan; clarionet solo, Roy Lindsay; farce, "The House that Jack Built," with Miss Cecelia Kydd, Miss Jeanne David, J. Newton Cole, David Coutts, Arthur Jackson, and Howard Bell in the cast. Miss Annie Smart presided at the organ.

The committee on entertainment consisted of Miss Alice Coutts, chairman; J. W. Bell, George Carter. Miss Cecelia Kydd, Miss Susie Findlay.

Obituary.

MRS. ANNIE (SCOTT) LINDSAY.

After a long and at times painful illness Mrs. Annie (Scott), widow of James Lindsay, passed away last Friday afternoon at the home of her daughter, Mrs. Isaac Gillespie in Lowell.

Mrs. Lindsay was born in St. Cyrus, Scotland, March 17, 1824, but the last thirty years of her life has been spent in Andover, and twenty-one of these in widowhood. For a number of years she has resided on North Main street, but a few weeks ago she removed to her daughter's in Lowell, where her remaining days of illness were borne with a Christian spirit. She is survived by one brother, James Scott, three sons, Adam S. and David S. of Andover, and Rev. Robert S. of Geneva, Ohio, three daughters, Mrs. Elizabeth Dundas and Minnie of Andover, and Mrs. Mary Gillespie of Lowell, twenty-seven grand children and one great grand child.

Funeral services were held at the home of the deceased's daughter in Lowell, Sunday forenoon and at the Free church at 2 o'clock. Rev. F. A. Wilson conducted the latter services which were simple and impressive. The hymns used were "Rock of Ages" and "When the Head is Bound with Woe." Burial was in the South cemetery beside her husband.

The bearers were six grandsons, Alexander Lindsay, William M. Coutts, Alexander T. Dundas, William Gillespie, Alexander Gillespie and Roy Lindsay. There were many tokens of friendship in the beautiful flowers and many of the old residents were present at the church and grave.

JOSHUA STOTT.

Last Friday occurred the death of Joshua Stott, an old resident of Andover in Frye Village.

Deceased was born in Canada 78 years ago. During his residence in town he was much liked and highly respected for his upright and straightforward manner. Until four years ago Mr. Stott worked in Lawrence but the last few years of his life have been passed in darkness, an affliction which he bore with great fortitude and uncomplainingly. Two years ago his wife died, adding to his already heavy afflictions. For several months he had been ill and death came last Friday at his son George's home on Union street. Another son, Sewell, lives in the other side of the house. Besides these two sons he leaves two other sons and two daughters.

Funeral services were held Monday afternoon at 2 o'clock, Rev. F. A. Wilson of the Free church, officiating. Burial was in the South cemetery. There were many beautiful flowers.

JOHN JOSEPH ADAMS.

By the death of John J. Adams, the town loses a very estimable and well liked citizen, one whose honesty of purpose and good qualities made him a favorite with all with whom he came in contact. To his family he left nothing to be desired in his treatment and kindness to wife and children.

Deceased was born in Andover, Sept. 19, 1859, and was the son of John and Hannah Adams who lived near the depot. He was educated in the public schools and began work with his father who was a section hand on the Boston & Maine road for 40 years. In later life he drove the Mansion House hack, worked for B. B. Tuttle and was the first watchman at the Tyer Rubber Company, a position he held for 5 1-2 years. He began driving a depot hack for himself about nine years ago.

On the 6th of May, 1888, deceased married Mary Ryan, a native of Ireland who had been in this country two years. Rev. J. J. Ryan performed the ceremony at St. Augustine's church. Nine children blessed their union, five of whom survive. They are John Q., Charles F., Annie L., Helen G., and Francis F.

Mr. Adams has been a sufferer for two years from sacoma, caused by the blow from a trunk he was loading on his hack. He was recovering from this nicely but two weeks ago Sunday he was taken ill with typhoid fever and died Sunday morning last at 9 o'clock.

The funeral was held Tuesday morning at St. Augustine's church, Rev. Fr. Driscoll celebrating high mass. The choir sang "Beautiful Jerusalem," and "Nearer My God to Thee." The flowers were beautiful. Charles Bowman, James Green, Frank M. Smith, David Burns, Daniel Collins and Patrick Barrett were the bearers. Burial was in St. Augustine's cemetery.

Wedding.

REMINGTON-LUSCOMB.

The wedding of J. Augustus Remington of Boston, formerly of Andover, and Miss Sarah Chase, daughter of Mr. and Mrs. George G. Luscomb, of Bristol, R. I., Thursday noon, at 12 o'clock, was a very quiet affair.

The ceremony was performed by Rev. Herbert S. Johnson of the Warren Avenue Baptist church, Boston, at the future home of the newly married couple at 59 Barry street, Dorchester. The ring service was used and the bride was given in marriage by her father. Only the immediate relatives of the contracting parties were present.

The bride wore a travelling gown and there were no attendants. Following the ceremony, a wedding breakfast was served after which Mr. and Mrs. Remington started upon a short wedding trip. They will be at home at 59 Barry street, Dorchester, after December the fifteenth.

The couple received many beautiful presents. The groom is employed in the office of the American Woolen company at Boston, and is well known and liked in this place, where he formerly resided.

THE GREAT THANKSGIVING SALE that opened at Reid & Hughes this week is an occasion watched for by almost every housekeeper in Lawrence who knows the extraordinary values always found, not alone Kitchen goods, but reliable table linens. How inviting the good host or hostess likes to see the table on Thanksgiving day. There is an appetizing charm about showy Table Linens, sparkling cut glass and all else that lend enchantment to this "annual august occasion." And so it naturally follows that there are many wants which arise when preparations are rife, and just as logically the "good people of our town" come to the Big Store for what they need, and, too, the prices are lower at this sale; they really make the pocketbook go farther—this sales continues until Thanksgiving Day.

CHURCH CENSUS A GREAT SUCCESS.

The church attendance census, which was conducted Saturday afternoon, as planned, was most successfully accomplished.

The visitors assembled at the precinct headquarters about 1 o'clock. At each of the 16 precincts there was some one in charge and after final directions had been given short services were held consisting of prayers and the singing of hymns, "Onward Christian Soldiers" being the favorite. Then the little bands started out, wearing badges provided for them.

The city was divided into 313 sections, but as many went two by two, there were about 500 visitors engaged in the work. The day was so favorable that there were hardly any failures to appear and the 390 who attended the meeting of instructions held Wednesday were increased by about 100 others.

In a few cases where parties were not needed at the different precincts, they reported at central headquarters, where Frank Farr and Rev. F. H. Page were directing the general movements, and were sent to places where there were shortages. A detachment of the Boys' brigade of the Parker street church reported at the general headquarters and gave efficient service as messengers.

The president and chairman of the executive committee did inspection service during the afternoon and found everything working smoothly. On every street visitors were seen going from house to house, the average call being only of a few moments' duration and sometimes the work was done on the doorstep.

At about 4 p. m. the first returns began to come in from those whose sections were near the precinct headquarters but many did not finish till dark. It was planned that the average number of calls should be from 30 to 40, but in some sections the number ran up to 80 and while most of the visitors were through by supper time, quite a number did not finish till later in the evening. In one case a visitor and his wife were working in the lanes and alleys off Common street and had to go home and get a lantern. They finished their work several hours after the average visitor was through.

Out of the 313 sections only five were unvisited and it is expected that these will be covered at once.

The arrangements of the executive committee were unexpectedly adequate, although every effort had been made to meet all requirements that could be foreseen.

The greatest difficulties were encountered in the boarding house districts where in many cases 50 cards were needed to a house and the visitors had to come back to headquarters for more supplies. Many of the visitors reported at least one refusal to give information, but in very rare instances was anything approaching discourtesy shown. There was a very great and cordial response to the movement, among Roman Catholics and Protestants alike.

A good many interpreters were used including Syrian, Armenian, French Canadian, German, Italian, Portuguese and Russian. In quite a number of cases the interpreting was done by children. One boy who was induced to give up a game of marbles did great work on Common street.

In a Portuguese household a suspicious housewife denied all knowledge of English, but in an unguarded moment she told a little child to run out of the room in the very best vernacular and had to laugh with the visitor at being discovered to have a working knowledge of English. After that she went with the visitors through the district and aided in interpreting.

Before 9 o'clock an immense number of returns had been made from the precinct headquarters to the chairman and secretary at the general headquarters, enough to fill a great packing case.

The newspaper announcements proved to be of great value and perhaps as many as a thousand returns were filled in from blanks printed in the newspapers, every visitor receiving a few.

In many of the churches Sunday the canvas was made the theme of the morning sermon and it is said that in most of the churches the fine weather and the census of the day before contributed to an unusually large attendance which included a good many who are not often seen in church.

It was the general feeling that the city was to be congraulated on having done so large a work so successfully.

The point was emphasized by a number of ministers that the chief fruits of the canvas will depend upon the faithfulness of the churches in following up the work of Saturday's visitation.

Old Relics.

Many are familiar with the story of Priscilla Abbott, the half grown daughter of Deacon Isaac Abbott, war veteran and first postmaster, whose home was in the house now owned by Samuel Locke, heirs. How Washington came riding up to breakfast from Haverhill one morning and needed his glove mended and how he paid with a kiss and a soldier's compliment, "that if Priscilla had not been harder to suit than he was, she would have been married long before." Whether Squire Abbott's stepson, John Kneeland, was her choice, or for him she staid single, is now unknown.

John Kneeland married Rebecca Austin, displeased Samuel Abbott, the wealthy childless stepfather, and all the Abbott estate went to the Theological Seminary, while John only got the farm over in West Parish we used to call the Stephen Allen estate, including other holdings of Joseph Dane he had sold to Samuel Abbott.

John Kneeland, a lawyer, and greatly interested in our public schools, came to the Centre, where he built the cottage so long occupied by Abraham Marland's family. There Rebecca died and he finally married Priscilla, who was past 50. She was a good mother to the stepchildren, and died at 60 in 1830. Recently her Bible, given to a grandson of her brother's, William Abbott, has come back to Andover and has been donated by the heirs of the third wife of said grandson to our community, with the suggestion that it form the nucleus of a good historical collection in charge of a properly organized historical society, which any one in Andover, regardless of descent or race, can join, who loves Andover and wishes to preserve its history and relics.

A book, commenced 1711, by Rev. Samuel Phillips, of the church expenses of South church from 1711 to 1750, how they raised in ten years the first silver service and who gave the shillings one by one, has been turned over to South church clerk. Probably it was with Deacon William Lovejoy's papers that fell to Deacon Isaac Abbott as an heir. An old account book to go with the Bible that contains family records and things of no particular value was added.

On the fly leaf of the Bible is written, "Priscilla Abbott, the gift of her friend, Ebenezer F. Andrews." The book was published 1795. John Kneeland has written the only entry upon what in earlier days would have been Priscilla's family record: "Priscilla Abbott, born June 1, 1770, married to John Kneeland, Esq., by the Revd. Justin Edwards, June 6, 1820. After a few days' sickness with lung trouble, on Wednesday morning, Feb. 17, 1830, at half past 4 o'clock, she died, aged 59 years, 8 months, 17 days. Friday afternoon, Feb. 19, her mortal remains were interred in the tomb in burying ground, South Parish, Andover. May this affecting instance of God's Holy Providence be sanctified to her husband and venerable father, now passed his 85th year,, and family connections and numerous friends of the deceased." Her father, blind in his old age, died in 1836, aged 91.

Some one says "a society you recommend is all very well, but where can you find a place to put your relics? The Library safe will squeeze in the Bible, but very little more." The house of Isaac, where Washington took breakfast, is beyond our reach probably, but why not try for the little cottage home of Priscilla for the ten short years of her wedded life. It would make ideal headquarters for a historical collection and a place of meeting for such as conducted business for the society, and some day we hope to get a legacy from somebody that will give us an annex to the Public Library that will have a hall suitable for large gatherings. Nothing has been said to the present owner of Priscilla Kneeland's home in regard to such a purpose sometime to be developed, and it is merely thrown out as a hint of what might be done to preserve Priscilla's memory. There are others who would donate valuable relics if the thing was well trusteed. C. H. A.

TUESDAY NIGHT WHIST CLUB.

The Tuesday Night Whist club was this week entertained at the residence of Mr. and Mrs. James Crossley in Boxford street and a very pleasant time was had by all present. Whist as usual was the main feature of the evening. Dainty refreshments were served at the close of the game. The next meeting will be held at the home of Mr. and Mrs. Francis A. Butland in Blanchard street. The prize winners were James Crossley and Mrs. F. A. Butland, first prizes. Those in attendance were Mr. and Mrs. John Beattie, Mr. and Mrs. John Larrabee, Mr. and Mrs. William H. Porter, Mr. and Mrs. William Knapp, Mr. and Mrs. Francis A. Butland and the host and hostess.

All cars stop at Appleton street, Lawrence, and Farr's is around the corner.

COUNCIL BLOCKED THE SALARY RAISE.

The common council at its regular meeting Monday night failed to concur with aldermen in increasing the salary of the mayor to $2500 and that of the superintendent of the almshouse to $1000, and sent the salary resolution back to the upper board without taking further action. The council concurred in referring the protest of the Retail Clerks' association against Sunday selling, to the mayor and city marshal. Very little new business was transacted.

Mrs. Cyrus E. Bean will render selections on the violin at the session of Sunday school at the Lawrence street Congregational church Sunday.

BLOOD WINE

Cures Eczema and Pimples

People who have eczema and have tried repeatedly to be cured without obtaining the desired result will be interested in the following statement of Mrs. John Cronin, 25 Arlington St., Manchester, H. N.:

"My little girl Nellie has been troubled with impure blood which finally brought on eczema in its worst form. The doctors did her no good and I soon learned what an obstinate disease it is. After I tried about everything I could think of I tried 'Blood Wine.' It was last but decidedly best—it cured her. Now her blood is in an excellent condition, and her complexion is free from blemishes."

"Blood Wine" is a never-failing cure for all forms of skin disease, pimples, blackheads, rough and scaly skin, red nose, blotches, boils, etc. Its action is quick and lasting. "Blood Wine" costs fifty cents a bottle.

If you have your blood examined by an expert bacteriologist you will know precisely your true condition. You can have this done free of charge by sending your name to the Louis Dandelin Co., Worcester, Mass. For sale by

BEFORE WOMAN'S ALLIANCE.

The ladies of the Woman's Alliance of the Unitarian church were delightfully entertained at the regular meeting Monday afternoon by the Rev. Mrs. Ada C. Bowles of Gloucester and Miss Charlotte Van Cleve of New York City.

The attendance was large and the meeting was presided over by the president, Mrs. O. T. Howe. After the transaction of the customary routine business, Mrs. Howe presented the guests of the afternoon.

The Rev. Mrs. Bowles read a very interesting and thoughtful paper on "The Church as a Social Factor." It was deeply appreciated and the speakers remarks were highly commended by the president of the alliance at the close of the meeting.

Miss Van Cleve quickly gained the admiration of her audience by her beautiful singing. She possesses a soft, sweet soprano voice, yet powerful, and of a delightful quality. Her singing was artistic and finished and she received very flattering applause after each one of the selections which she rendered. The selections were "Israel," "Spanish Romance," 'Scotch Lullaby," and the beautiful Schubert's "Serenade" which was exquisitely rendered. Miss Van Cleve has been making a specialty of Schubert's songs and has already given several illustrated recitals. It is probable that she will be induced to come to this city for the purpose of giving one of her recitals, sometime during the coming winter.

Miss Fiora M. Sanborn was accompanist for the afternoon.

The afternoon's program was followed by the usual social hour, during which tea was poured.

STEPPED AGAINST A HOT STOVE.

A child of Mrs. George T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well. Mrs. Benson is a well known resident of Kellar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, bruises and sprains. For sale by E. M. & W. A. Allen, Andover.

MYOPIA CLUB HUNT.

The Myopia Hunt cub of Hamilton and Wenham enjoyed a chase through the Pond district of North Andover on Saturday afternoon. A special train consisting of three Burton stock cars, two parlor cars and a combination car arrived at the Marble Ridge station at 1.30 o'clock. Forty-eight riders followed the pack of 15 hounds over a well laid course. The start was witnessed by a large assemblage of peeople who came in coaches and tally-hos from the towns and cities of this section.

The bevy of hunters accompanied by their atendants took the wall bounding Dr. Dale's estate at 2.10 o'clock aand followed the scent through the above property, passing in the rear of Albert Moodey's residence and around by Winfield S. Hughes' farm, through Hubert M. Whittier's, Nathaniel Foosters and the gorunds of "Urla Villa," the Salisbury estate back along the shores of Lake Cochickewick, through Edgar Tucker's and "The Burches," William Sutton's estate, Jean Fosses' and Moodey's crossing the track at the Ridge and ending on the hill near the residence of Granville E. Foss, jr.

After the chase the huntsmen made their way to the machine shop station where their train awaited them on a siding. Dinner was served on the train, the coffee being served at the residence of Charles O. Barker in the vicinity of the station.

The local course is pronounced to be an exceptionally fine one. The train left the station on the return trip about 5.30 oclock.

IN VERY GRAVE CONDITION.

If a favorable change is not noticed soon in the condition of Dennis Duggan of 695 Essex street, it is probable that he will be removed to the hospital for treatment. Duggan is the man who, a week ago Saturday, was found in the early morning and who was sent to the police station where he was booked as a drunk.

He lay in his cell in an inanimate condition and was not able to appear in court for arraignment. A closer examination revealed that there was something else the matter with the man so medical aid was summoned. Dr. W. J. Sullivan responded and found that Duggan had been injured and stunned as the result of a fall. The doctor ordered Duggan to his home, and he has since been confined to bed there in a semi-conscious condition, at times dropping off into unconsciousness. He has been attended by Dr. Daly. His recovery is looked for, but his condition is serious, as it is believed that his brain has been affected. He was cut about the head and face.

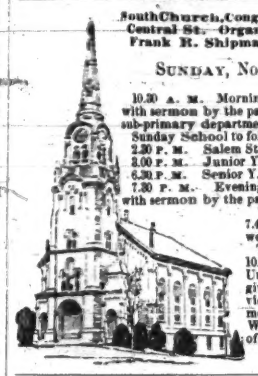

Duggan attended a social at the clubhouse of the cricket club on Doyle street, the night before. As near as can be learned, it is believed that he fell over an embankment, some 15 feet after he had started for home. The injuries which he received dazed him, and in this condition he wandered up Water street, until he fell and was found by the night watchman at the pumping station.

COUNTY BONDS SOLD.

The last of the $400,000 bonds issued by the county of Essex to defray the cost of the new court house at Lawrence and the bridge at Newburyport were disposed of Saturday morning. These bonds were authorized last June but the commissioners disposed of them only as the money was needed. By this means the county saved $5500 in interest, or within $1500 of the sum needed to take up the first instalment of the bonds in January.

THE BEST REMEDY FOR CROUP

[*From the Atchison, Kan., Daily Globe.*]

This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old fashioned remedy for croup, known as hive syrup and tolu, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by E. M. & W. A. Allen, Andover.

Richard Harris has leased the little island in the Spicket river near the Lowell street bridge, and is having it fitted up for a boat wharf.

H. C. Magoon has been making extensive repairs and alterations in Washington block, at Railroad square, which was recently purchased by him.

At the session of probate court in Salem, Monday, the will of Susan Webster of Methuen was probated. Inventory of the estate of Amanda A. Gleason of Methuen was field, $5316.89.

Mrs. C. H. Oliphant of Methuen was elected vice-president at the 18th annual meeting of the Andover and Woburn branch of the Woman's Board of Missions held in Melrose Thursday.

Miss Katie Page of Boston, violinist, will assist in the Thanksgiving service which is to be held in the Universalist church Thanksgiving day at 5 o'clock p. m. The singing will be in charge of Herbert Fay Nye. Rev. F. W. Blakeslee will preach the sermon.

Mrs. Charles H. Oliphant, who had her ankle badly injured while in Maine last summer, and who has since been compelled to use crutches in getting about, has so much improved that the latter part of last week she was able to take a short walk out of doors using a cane instead of crutches. The injury still continues to give some trouble, however.

The Exeter correspondent to the Manchester Union has the following item of local interest: "Edward F. Searles of Methuen, Mass., the multimillionaire, whose real estate holdings in Salem and Methuen are already phenomenally large, has just added 14 acres in Salem to his estate. Four are deeded to him by Betsy Boutin, and ten acres by Loren B. McLauchlin. The consideration in both instances is withheld, $1 being nominally such in each deed."

Three men who enlisted from this town have received the medals which the state legislature some time ago voted to present to those who answered President Lincoln's first call for troops, April 15, 1861. The medal is of bronze, circular in shape, and appropriately inscribed on either side and with a pendant also marked "Massachusetts Volunteer Militia Minute Man." The Methuen men receiving them are Henry Turkington, Amos G. Jones and Albert L. Dame, the last named now living in Hanson.

The Boston Worsted company, a small concern which operated for a time on Arlington Heights, and of which Ernest S. Creamer was superintendent has been closed and the goods have been disposed of at a sheriff sale. Brown & Whittier of Lawrence secured the goods with the exception of the goods at the dye house which were taken by the Lawrence Dye works, which had claim against the company. The mill was not a very extensive one, and the goods, altogether, were not worth more than $400 or $500. The plant was located in a barn of Dan Fitzgerald on Oakland avenue, According to its business card its business was "Ladies' Dress Goods and Men's Wear Fabrics." The name of H. H. Marble of Leonard street, New York, was given as president, L. W. Brown secretary and treasurer and E. S. Creamer, agent and superintendent. The attachment was placed upon the plant by the Atlantic mills of Providence, which had a claim against the company.

Mrs. Abigail S. Kenison celebrated her 84th birthday in a quiet manner Wednesday at her home 45 Lowell street. Many relatives and friends called during the day to offer their congratulations. She received many presents from those who called. Mrs. Kenison is in good health and very active for a woman of her age. She is able to be out of doors on pleasant days and does considerable work about the house. Mrs. Kenison was born in this town Nov. 19, 1818, near Marsh corner and has always resided here. She was the daughter of Ezekiel and Abigail S. Clark, and the oldest of a family of 13 children, six of whom are still living. She was married Oct. 12, 1848, to George W. Kenison of Corinth, N. H. Five children were born to them. Three are now living, Miss Susan A., who resides at home, Asa S., one of the local rural delivery carriers, and Charles W. Kenison, starter for the Boston Elevated Railway company at Arlington Centre. Her husband died 12 years ago. He served three years in the Civil War, and was a well known member of Col. W. B. Greene post, G. A. R. Mrs. Kenison has been a member of the Methodist church for 64 years. She is the only living member in the list of those who helped to form the local church. She was active in church work for many years and was a regular attendant until she became advanced in years.

Cut this out and take it to Allen's drug store and get a free sample of Chamberlain's Stomach and Liver Tablets, the best physic. They cleanse and invigorate the stomach, improve the appetite and regulate the bowels. Regular size, 25c per box.

Proverbs

"When the butter won't come put a penny in the churn," is an old time dairy proverb. It often seems to work though no one has ever told why.

When mothers are worried because the children do not gain strength and flesh we say give them Scott's Emulsion.

It is like the penny in the milk because it works and because there is something astonishing about it.

Scott's Emulsion is simply a milk of pure cod liver oil with some hypophosphites especially prepared for delicate stomachs.

Children take to it naturally because they like the taste and the remedy takes just as naturally to the children because it is so perfectly adapted to their wants.

For all weak and pale and thin children Scott's Emulsion is the most satisfactory treatment.

We will send you the penny, *i. e.*, a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

D. A. R. MEETING.

The regular monthly business meeting of Samuel Adams chapter, D. A. R., was held Saturday afternoon in Grange hall. The regent, Mrs. Carrie E. Barnes presided. The secretary read the reports of the October meeting, Cranford, special meetings, etc., which were duly accepted. The regent read several letters from ladies who had been present at the convention, expressing their appreciation for their entertainment.

The committee on "Cranford," Mrs. Spooner and Miss E. J. Howe, reported that the sum of $35 had been realized. This will be used for benevolent purposes, under the direction of the board of management. It was voted to send a letter of thanks to Mrs. J. J. Donovan, who sang on the occasion of the presentation of the play.

The committee on Thanksgiving party reported that the matter was well in hand.

It was voted to hold the annual open meeting and Boston Tea party anniversary in the town hall on the evening of Dec. 16. The committee in charge comprises Mrs. Edwin J. Castle, Mrs. Arthur Jenkins, Mrs. W. J. Nichols, Mrs. George W. Dow, Mrs. Horace Carleton, Mrs. Stephen J. Barker, and Miss Bessie Swan. Each member of the chapter is entitled to invite one friend.

Three new members were accepted by the board of management, Miss Eva Coburn, Marion Morgan and Mrs. Albert Heald.

A CARD.

We, the undersigned, do hereby agree to refund the money on a 50-cent bottle of Greene's Warranted Syrup of Tar if it fails to cure your cough or cold. We also guarantee a 25-cent bottle to prove satisfactory or money refunded.

DEATH OF ISAIAH M. HOWE.

Isaiah M. Howe, a well known resident of the eastern part of Methuen, died Tuesday morning at his home on Hampstead street at the age of 45 years, 7 months and 2 days. The deceased had been a sufferer from rheumatism for some time, and during the past three months he had been confined to his home.

The deceased was a native of Methuen, being the son of the late John Howe, who for many years was a successful farmer in Methuen. After the death of his father Mr. Howe succeeded to the business. He was well known in town and had many friends. He is survived by a widow, one son, John Howe; two daughters, Cora and Ruth Howe and one sister, Mrs. Mary E. Payson. The funeral was held Thursday afternoon at 1 o'clock and burial was in Walnut Grove cemetery.

A LIBERAL OFFER

The undersigned will give a free sample of Chamberlain's Stomach and Liver Tablets to anyone wanting a reliable remedy for disorders of the stomach, biliousness or constipation. This is a new remedy and a good one. E. M. & W. A. Allen, Andover.

HIGHLAND UNION LODGE PRESENT.

Wednesday evening about 65 members of Highland Union lodge of Rebekahs of Lowell, came to Methuen as the guests of Minerva Rebekah lodge of this town. The guests came by special car and upon their arrival were escorted to the banquet hall where a supper was served. About 175 sat down to the tables. After the supper adjournment was made to the lodge rooms where the degree was conferred upon three candidates. District Deputy Lillian Welton and suite from Lawrence was present, and highly complimented the degree staff on the excellence of the exemplification which she characterized as the best she had seen. Speeches were made by the district deputy, and six members of the suite; also by the noble grand and vice grand of the Lowell lodge, and by Past Grand Mrs. Emery of Milford. The Lowell guests departed about midnight in the special car for Lowell. The reception committee of the local lodge consisted of Past Grands Mrs. Fred M. Swain, Mrs. George W. Copp, and Mrs. John Maguire. The supper committee comprised Mrs. George W. Barnes, chairman, Mrs. T. W. Coburn, Mrs. George B. Bradbury, Mrs. J. D. Price, Mrs. Daniel T. Saunders, Mrs. J. O. Hill, Mrs. John Maguire, Mrs. Morton, Mrs. F. M. Swain and Mrs. George W. Copp.

BAND CONCERT AT CITY HALL.

Under the auspices of company F, 9th Reg't., M. V. M., of this city, a delightful concert was given in the city hall Monday night by the famous 69th regiment band of New York. The galleries of the hall and a large portion of the floor space were filled with an appreciative audience that warmly applauded each number of the excellent program. The concert began at 8.30 oclock and lasted until after 10. Following the concert the floor was cleared and dancing was enjoyed till a late hour.

This was the program of the evening:

Overture, "Isabella," Tuppe
Solo for Piccolo, Polka Caprice, "Humming Bird," Demarre
Performed by Mr. C. G. Stanzione.
Introduction and Concerted Valse Movement, "Hourida," Gilbert
Harp Solo, "a Cascade," Oberthur
Miss Clara Winters.
Reminiscences of the Bards of Ireland, Godfrey
Embracing the following gems: Minstrel Boy, Molly Bawn, The Legacy, Teddy O'Rourke, St. Patrick's Day, The Pretty Girl Milking the Cow, Savourneen Deelish, The Irish Washerwoman, Thady You Gander, Let Erin Remember, My Lodging is on the Cold, Cold Ground, Air Varie—St. Patrick Was a Gentleman, Garry Owen, The Last Rose of Summer, Biddy Flaherty, The Rocky Road to Dublin, The Harp That Once Through Tara's Hall.

Intermission.

Excerpts from Meyerbeer's "Der Phrophet," au Wiepreict
Aria, Soprano Solo, "Inflammatus" from Stabat Mater, Rossini
Miss Cecelia Niles.

Mosaic,
a. Serenade, Rococo, elmund
Hb. Slavonic Dance, No. 1, Dvorak
The Famous Piper Mr. F. X. Hennessy in a Selection of Irish Airs.
Fantasia Grandiose, on American Themes, Herber
Conductor, William Bayne.

The band work was excellent and of a very high order throughout. The selections were rendered in perfect time and the pieces blended in delightful harmony. Mr. Bayne makes an excellent conductor, but contrary to the excited, demonstrative leaders, he is quiet and easy in his manner. But his control over every musician is none the less perfect and he knows just how and when to put life into every instrument.

Perhaps the selection which gave the greatest pleasure was the medley of Irish airs.

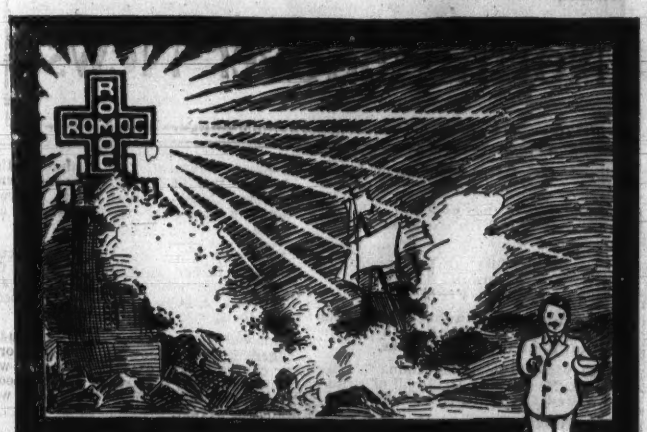

The solo work, without exception, was excellent. The piccolo and harp solos were beautiful and both players were warmly applauded. The "famous piper" scored his usual hit and was obliged to respond to encores.

It was with regret that the announcement of Miss Niles' inability to sing was made and received. A certificate from a local physician announced that she was suffering from quincy sore throat and that he considered it inadvisable for her to sing. Her number on the program, however, was ably filled by John Dolan, cornet soloist. Among his selections were the fascinating "Russian Folk Song" which he rendered with variations, and the sweet, beautiful "Killarney."

The concert was one of rare merit and was deserving of a crowded house.

For the dance which followed the concert music was furnished by the ideal orchestra. The floor officials were: Grand conductor, Sergeant P. J. Higgins; assistant Private Charles Beaver; floor director, Corporal Martin Foley; assistant, Sergeant Frank Coleman; aids, Private Donovan, Private T. F. Manahan, Private McGary, Private Fitzgerald, Corporal Manahan, Private Worcester, Private Giles and Private McNally.

The general comittee in charge of the affair comprised Captain P. A. Sands, Lieutenants Frank Donovan and M. F. Bowles, Quartermaster-Serg't. Fred Manahan, Sergeant P. J. Higgins, Sergeant Frank Coleman, Corporal Martin Foley and Privates C. A. Beaver A. Whittaker, G. Lovelan, J. McGary, Frank Holmes and Arthur Giles.

A quick remedy for burns is recommended by a Western woman who recently tested its efficaciousness. She lives in a remote country district and the services of a doctor were not easily procurable, so household remedies were called into special requisition. Her hands had been terribly scalded by boiling water and the usual applications of soda and oil proving ineffectual for easing the pain, the white of eggs were suggested. Several eggs were used, the unbeaten whites being dropped on cotton and the sufferer's hands swathed in the batting. Relief was almost instantaneous and the next day all traces of the scalding had disappeared.

Owing to a mistake in the survey on the Haverhill and Andover street railway the grade of the road commencing at the top of Sutton's hill at the residence of James C. Poor and extending 1500 feet to a point beyond the residence of James J. Finnegan has been built too high. At the highest point the rails will have to be relaid fifteen inches lower than at present to conform with the street grade. A gang of men commenced work Monday morning to make thechange.

William R. Smith, foreman of the state highway being constructed on Lawrence street in this town sustained serious injuries to his right leg about three weeks ago. While at work and in pursuance of his duties an embankment caved in upon him fracturing his right leg and causing other minor injuries. He was removed from 121 Haverhill street, Lawrence, on Friday morning in the police ambulance and taken to the South station. He was sent to his home in Connecticut with the injured leg in a plaster cast.

Mr. James M. Craig, chief templar of the Rescue lodge, I. O. G. T. has received the appointment of deputy chief templar of Ballardvale lodge. The appointment came but recently from the grand chief templar of the Grand lodge, Harry Woodward. Officer Craig has been a faithful and conscientious worker in the temperance cause for many years and at different times his endeavors have received marked recognition. The last has been the highest honor yet conferred and is but a just reward for the services so willingly given in the cause. He is a familiar figure in temperance circles and his many frineds in this as well as surrounding towns will be greatly pleased to hear of his appointment.

The many friends and acquaintances of Mr. and Mrs. George Lang are exceedingly proud if they are invited to the home on Cross street to enjoy for an evening the graphophone selections from Mr. Lang's machine. It is pronounced the best sounding machine ever listened to. On warm evenings when the weather allows the opening of a window the selections may be heard most clearly without and as far as the Eben Sutton engine house on Water street. On these evenings crowds of men, women and children gather in the Congregational church yard to enjoy the excellent entertainment afforded. Mr. Lang has a varied assortment of nearly 500 records and he by close aplication to his hobby has become most expert in his choice of records.

BLUE STOCKINGS WERE DEFEATED.

The Blue Stockings football team of North Andover went to Nashua, N. H., on Saturday afternoon. They contested with the Diamond football team of that city being defeated by a score of 5 to 0.

In the second half, Jones, Nashua's star half back made a forty yard run around left end for a touchdown. He crossed the goal line well out to the side lines and Mulvanity failed to kick the goal. This was the only scoring done during the game.

The Blue Stockinbs won the toss and chose the kick off the Diamonds taking the south goal. There was little or no wind. Curtis kicks forty yards to Jones who runs it in ten yards. After two attempts at the line Jones is sent around left end thirty yards to the center of the field. Here Nahsua loses the ball on downs. The Blue Stockings receive the ball and take it by a combination of straight line and trick plays to Nashua's five-yard line where it is lost on downs. Mulvanity kicks and the Blue Stockings again lose the ball at the centre of the field on downs.

The summary:

Mr. and Mrs. B. H. Humphrey of 49 Beverly street are rejoicing over the arrival on Saturday of a son into their pleasant family circle.

Street Superintendent William Gile is making great headway in macadamizing Main street. The work is nearly finished and extends from the post-office to Sutton street.

The drama to be given at the next meeting of the Grange was rehearsed at the home of Grace E. Barker on Maple avenue, Monday evening. The title of the play is "The Wreck of Stebbins Pride." The dramatic personae: Ephriam Stebbins, Pater Familias, Leonard Dutton
Arnold Parker, H. Dana Currier, Robert Grey, Wilbur W. Ward, Mr. Smitheson, Arthur Brown,
Ruth's Adorers
Ruth, Ephriam's daughter, Miss Grace E. Barker
Aunt Agatha, sister to Ephriam, Miss Lettie M. Barker

Complaints have been received from poultry raisers who have suffered great losses. On Saturday night a dog visited the coops of A. A. Currier, Lone Oak farm and killed and maimed spring pullets that were at roost in an open coop in the hen yard. Great was the surprise of the owner when going out to feed the stock in the morning to find 20 pullets dead upon the lawn and feathers strewn from one end of the place to the other. On visiting the yard it was found that there were about a dozen others in a more or less lamed condition. In nearly every case a bite in the back was the cause of death. Other people have suffered to a less extent.

Albert Emmett, the son of Mr. and Mrs. Joseph W. Emmett, was happily surprised at the family home on Beverly street, Saturday evening. It was the greatest of surprises to Albert when returning to his home early in the evening he found so many of his friends and associates gathered there. He had not wholly recovered when Miss Mamie Beattie in behalf of his friends presented him with a fine violin case. The speech of presentation was a fine one and expressed the feeling of the guests towards their host. Albert is a talented player of the violin and the case was a most acceptable gift. He was well pleased and responded to the presentation in a few words.

The evening was well spent with games of different kinds and music was enjoyed at frequent intervals. Members of the joyous company entertained both instrumentally and vocally. During the evening a fine course of refreshments were served.

The party dispersed at a late hour, greatly pleased with their evening's entertainment and with many compliments for their host. Those present were: Edward Ernst, Walter Berry, Percy Berry, Charles Byrne, Harold Tilton, Jessa Jackson, Fred Ammon, Herbert Perkins, Harry Vogt, Albert Barrington, Fred Barrington, Albert Emmett, William Emmett, Ralph Beattie, Walter Emmett, Joseph M. Emmett, Misses Agnes Hubbard, Grace Emmett, Mamie Beattie, Agnes Stewart, Gertrude Brown, Elizabeth Tait, Edith Somerville, Annie Zuill, Jennie Duschane, Bertha Gaines, Laura Perkins, Mr. and Mrs. Joseph W. Emmett, Mr. and Mrs. John T. Beattie.

A number of the young misses of the Congregational Sunday school were highly successful in conducting a rubber social in the vestries of the church on Friday evening for the young people of the school. The affair was well attended and each one brought a goodly amount of rubber goods of every description which was received as admission. The rubber goods will be sold and a large sum will be netted.

The committee of energetic misses who received numerous compliments for the great success of the affair are Miss Charlotte Godfrey, Miss Inez Marston and Miss Ruth Hamilton. There were about fifty guests present.

During the evening nice refreshments of cocoa and cake were served those present by the members of the above committee. The ushers were Miss Harriet Smith, Miss Alice Blanton, Miss Lena Smith, Miss Marion Fernald and Miss Jennie Thompson.

The program of he evening consisted of: March by young people about the vestry, accompanied by Miss Marion Fernald; games, French Blindman's Bluff, drap the handkerchief and Jerusalem. ANDOVER NEWS.

FOOT BALL

ANDOVER 3; LYNN, 1.

The Lynn Association football team visited Andover Saturday with a powerful team and a clean record and played the hardest game seen on the local field. At the finish of the game however they had to acknowledge defeat for the first time. The visitors played a very clean game of football and until near the close of the second half the result was in doubt. Andover easily played the best they have done this season and although heavily outweighed, kept the visitors constantly in hot water.

The first half was very evenly contested; at the outset the Lynns had a little the better of the argument but Andover soon warmed up and had some very fine runs from one of which Tom Lynch scored. Lynn several times looked dangerous, but Andover's strong defense prevailed, O'Connell in goal doing fine work. The first half ended without further scoring.

Lynn began the second half determined to win and in five minutes had scored. O'Connell rather easily letting a ground shot roll through. This put new life into the game and attacks were made on each goal repeatedly. O'Connell and Rennie and Matthews were called on for much defensive work and they performed well. Finally Andover broke away and a fine combined run ended in Lowe putting his team in the lead with a beautiful shot. Andover kept up the pressure and Doug. Falconer had several beautiful tries from the wing. Keeping at it Andover again scored through Lowe and this advantage they kept to the end winning a finely contested game by 2 goals to 1.

The visitors were a powerful lot and another game between the team might easily reverse the score. The backs and halves were particularly strong and Crabbe put in a lot of hard work in the forward line. All of the Andover players put up a fine game. D. Rennie at back and D. Falconer in the front line excelling. G. Rennie had a great tendency to play out of position and leave his partner Lynch unassisted. O'Connell in goal made some brilliant saves. The teams: Andover—O'Connell; D. Rennie, Matthews, Smythe, Currie, J. Cairnie, T. Lynch, G. Rennie, Lowe, Black, D. Falconer. Lynn—Maise, Furnbull, Russell, Murphy, M. Hogan, Lawrie, P. Hogan, Crabbe (capt.) B. Knight, Rooney, J. Knight. Referee, O'Connor.

The game was somewhat marred by the rowdy conduct of some of the Lynn spectators, who left the special car in the Square in a somewhat intoxicated condition. They persisted in crowding over the side line and trouble was with difficulty prevented. The Lynn players did all they could to keep down the disturbance, but before coming to Andover again the Lynn football club will have to leave that element behind or the games cannot be played on the Andover Cricket field. There is, however, hardly any doubt but that the officials of the local club will take care that last Saturday afternoon's performances are not repeated.

Last week Thursday night, thieves broke into one of the small buildings on the mill estate in Frye Village, which is owned by the American Degreasing Co. and in which was stored numerous fittings for the machinery which is being set up in the mill. No clew as to the identity of the intruders has been obtained.

Walter Mack, baggage master at the local station, returned last night from Orford, N. H., where he has been spending a month's vacation at his home. While away, Mr. Mack did considerable gunning, shooting two deer, one a buck weighing almost 300 pounds, with four prongs on his horns, 19 racoons, and numerous foxes.

The second reading in Mr. Riddle's course will be given in Phillips Academy Hall next Tuesday evening, at eight o'clock. The programme will open with scenes from "Julius Caesar." Tickets for the two remaining readings will be sold for 75 cents, single admission 50 cents. Everyone should take this opportunity to hear Mr. Riddle.

The American Degreasing plant at Frye Village is preparing for the beginning of operations. About 25 immense containers weighing in the vicinity of 10 or 12 tons each are being hauled to the yard and placed in the position to be occupied by the new iron building 200x60 feet long. The containers cannot be hauled directly across the bridge which is thought to be unsafe, so the horses are unhitched and the wagon on which the tank rests is taken across by means of block and tackle. Even then one can see the bridge give several inches. The old brick building will be used for scouring and washing the wool. The overseer in charge there at the present time had a narrow escape from drowning Wednesday. He went to the assistance of some men who were at work at the edge of the water, and losing his balance, he fell into the swift current. As he fell he struck against some hard substance which put him *hors de combat*. Had there not been somebody to aid him it would have been bad for him. As it was he escaped with some lameness and a drenching.

Arthur G. Cummings of the junior class in Andover Theological Seminary preached at the Worthen street Baptist church, Lowell, last Sunday evening.

The American Woolen company has received the Welsh coal ordered for its employees and finds that it is not suitable for use in houses. The company will use the coal altho' it costs double the amount of the coal ordinarily used by them, for the purpose to which they will put it. To add to the expense the company had to pay $1000 demurrage at Boston. This coal has been a great disappointment as it was thought that the employees could be supplied with good coal at reasonable prices.

Benjamin Chapin will give a portrayal of the character and personality of Abraham Lincoln showing, "The Kind of a Man Lincoln Was," at Phillips Academy hall some time in December, possibly the 2nd. Owing to the musical and dramatic clubs' entertainment which is to take place in the Town hall about Dec. 10th or 12th, the portrayal may be held later. The entertainment is under Maj. Pond, with J. W. Jeffries, an old Phillips boy, as especial manager. The sketches are given in costume and the whole entertainment is said to be very good, coming to Andover highly recommended.

There has been talk of a change in the route of the Haverhill & Andover and Lawrence & Salem cars as soon as the double curve was put in at the junction of the Air Line and Railroad Avenue in North Andover. The change would carry the Haverhill & Andover cars straight over Elm street by Wilson's corner to North Andover centre, thence as the Salem cars have been running down the Air Line to Railroad Avenue, and after turning at the corner, completing the run as at present. The Salem cars instead of turning at Wilson's corner, would continue straight down to Railroad avenue and so on to the Air Line where they would turn the corner toward Lawrence. Supt. Lane said he had not heard of this change. By it however, the Centre people desiring to take a train in Andover or to do their trading over here would be benefitted and the Salem cars could make better time to Lawrence.

The athletic advisory committee of Phillips Andover academy have decided to replace the old board track which was burned last spring, by a new one. Work on the track will begin right away. It will be a 220-yard track, as formerly, not wide enough for more than one man except on the straight away, where there will be room for three men. This straightaway will be built out so that the sprinters will not have to go dashing around a curve at full speed, with very great risk, or jump into the snow, but can stop themselves in the usual manner. The material of which the track will be constructed is much heavier than has formerly been used, and the track will be conveniently situated. The track is not intended for racing, but its purpose is to train men for the school relay team and for the indoor interscholastic meet, as well as to get them in good condition for work in the spring.

A meeting of the Young Men's club of the Free church was held Monday night. Mr. Lansing of the Academy, who was to have addressed the club was unable to be present, and instead the members had a question bee on the history of Andover. The attendance was good and the usual games followed the historical questions.

A notice of the basketball game between Abbot academy and Bradford academy has been somewhat delayed, but the interest of the Andover school has not died out. The game was even, fair, and very well played; the score standing 5 to 4 in favor of Andover. The temper of the two schools was shown to be excellent, and victors and conquered had a pleasant hour after the game in which to make acquaintance and compare experiences.

W. W. Nixon of Gloucester, F. L. Burney of Lynn and A. J. Rausch of Lawrence, deputies of the Fish and Game commission, arrested three men who gave as their names, Edward Harriman of Lynn, Henry Brown of Walpole and John C. Kyle of Newton, near Foster's pond, Sunday. They were arraigned before Judge Poor Monday morning and Kyle was fined $20 for having game in his possession and the others $10 each for violation of the Sunday gaming law. They all paid.
